Dear Mr. Vinton:

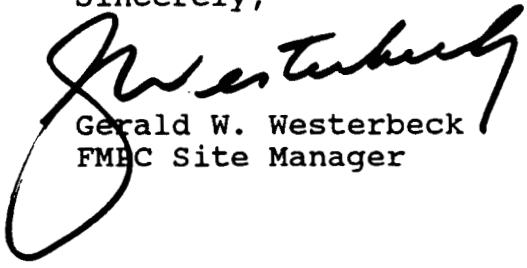

REMEDIAL INVESTIGATION/FEASIBILITY STUDY ENVIRONMENTAL IMPACT STATEMENT

Thank you for your interest in the Remedial Investigation/Feasibility Study Environmental Impact Statement being conducted at the Feed Materials Production Center.

I am unable to provide a copy of the RI/FS-EIS study because it is still being prepared. The first portion of the RI/FS-EIS report is not due until November 25, 1990 at which time, I will forward a copy to you. When the remaining 4 RI/FS-EIS reports are available they will also be sent to you.

If you have any questions, please contact Andy Avel, of my staff, at (513) 738-6161.

Sincerely,

Gerald W. Westerbeck
FMPC Site Manager
